

DID YOU KNOW . . .

You can reduce your energy use just by turning off your lights and electronic equipment (like your computer monitor and television) when you aren't using it!

If it is this easy, why not pledge to do it? Join the campaign, make the pledge, and make NAU more sustainable!

Go to www.sustain.nau.edu for the *Sustainable is Attainable!* pledge campaign!

You CAN make a difference ~ Sustainable is Attainable!
